Dear Parent/Carer

On Wednesday 2 November we are holding our first Curriculum Enrichment Day for learners in years 7-11. This day is an opportunity for our learners to experience exciting and innovative workshops to enhance their learning. The theme for the day is 'Discovery' and our staff will deliver sessions to learners as follows:

Year 7 - Tutor for Learning Team Building and The Big Sing

Year 8 - Sports Biathlon and Technology Batch Production

Year 9 - Weather forecasting in French, IT video production, Photography

Year 10 - Maths and Science in Action

Year 11 - Global Citizenship

We are really looking forward to seeing our learners produce some excellent work in these areas. Check out the Newport High School website [www.newporthigh.co.uk](http://www.newporthigh.co.uk) for reports and images of the day.

Yours faithfully

**Nerys Davies**  
Senior Assistant Headteacher
