Storing pupil information

Newport High School keeps information about you on computer systems and also sometimes on paper.

We hold your education records securely (computerised and paper) in accordance with guidance issued by the Local Authority regarding document retention i.e. to comply with legal requirements e.g. date of birth plus 25 years for prime documents linked to safeguarding, SEN, Educational Psychology, School Admissions, EWS and 7 years for PLASC counts, class counts, SEN registers, School Action Plans, GEMS intervention referrals, admissions reports, school meals reports etc. after which they are safely destroyed.

Access to the school's IT and Data Systems is restricted to authorised individuals only and is underpinned and protected by our Digital Safety and Acceptable Usage Policies. Access is logged and routinely monitored to protect users and the integrity and security of systems and data.

Newport High School adheres to the following retention periods for computer held personal data:

Pupil homedrives and mailboxes are retained for upto a period of 1 calendar year after the pupil has left.

Staff homedrives and mailboxes are retained for up to a period of 30 calendar days.

System, web filter and print logs are retained for a period of 1 calendar year

CCTV Footage is retained for a period of between 30 and 90 days for different parts of the school building.

Saved voicemails will remain for 15 days before being automatically deleted.

We have a third-party arrangement with a catering partner to access information for school meal purposes. This information is held on a computerised system and is accessed by the catering staff but not shared. Basic pupil information is retained on our SIMS system (School Management Information System) and retained for a period of 25 years.

Where data resides on third party systems e.g. Office 365, contracts exist to ensure data security, integrity and retention periods match legislation with Newport High School's in house systems.

All system backups are encrypted and are held in multiple, physically secure locations as part of the school's disaster recovery plan.

There are strict controls on who can see your information. We will not share your data if you have advised us that you do not want it shared unless it is the only way we can make sure you stay safe and healthy, are legally required to do so or the data is required for operational purposes.

Paper records are held in lockable cabinets. All visitors to site have to sign in before their entry is authorised. Control to areas where records are stored is restricted - pupils and visitors are not permitted to access any such area unless required and under the supervision of a staff member.
